Re: Cheryl Williams

Dear Ms. Williams,

Thank you kindly for sharing your gifts and knowledge on the BCCG with our class. I already feel more knowledgeable on the difficulties and benefits that accompany fundraising, and the specifics of an endowment. Your wealth of knowledge was extremely valuable in enabling us to initiate our fundraising planning. Thank you for your longtime dedication to Brown County and the environment. Your work with the BCCG is inspirational and I am excited to see what the next few weeks has in store for us!
