Dear Margaret,

On behalf of myself and the rest of the English 306 class, I would like to say thank you for coming to speak to us last week. You were able to provide us with valuable information regarding the BCCG program and its objectives for the community. Specifically, I think we all benefitted from hearing the program's mission statement. I personally feel much more equipped to contribute to a fundraising effort for BCCG after hearing your insights. You clearly seem to have a lot of passion for not only BCCG, but the people that it works to help. Your presentation gave meaning to the work that we are doing in class and helped us to see beyond the academic side of the project. I hope that we get the chance to collaborate with you again throughout the semester as your opinions are greatly valued by us all. Again, our sincerest thanks!

All the best,

The members of English 306
