From: The ENGL 306 Professional Writing Class

Dear John,

Your selflessness and generosity do not go unnoticed. We would like to thank you so much for your generous purchase of over twenty tickets for our student raffle on #givingtuesday. With the help of donors like you, our class raised a total of \$2,464 for the Friends of the Community Garden Fund. Your contribution will not only help the Brown County Community Gardens; it will grow in the hands and hearts of the people that you have impacted.

We admire your passion for serving the greater community through even the smallest acts. There are not many people who give so willingly with little to no incentive. This characteristic is to be valued. You are not a person to question “why should I give.” Your response is always, “how can I give?” Your giving heart sets you apart from the rest of the world. Do not lose your sense of empathy and good will to all of those around you.

Thank you again for helping us grow better together.

All the best,

The ENGL 306 Professional Writing Class
